Founded in 2016, the company is located in Hefei, Anhui Province, and its main products include solar panels, solar inverters, photovoltaic systems, lithium batteries, gel batteries, and other solar products.

60kW/129kWh PV+Battery ESS All-in-one Cabinet Intelligent remote operation and maintenance, visualization platform for real-time monitoring, suitable for full-scene applications

Highly Integrated, Flexible Configuration: VN-AES series features an all-in-one design, integrating battery modules, PCS, EMS, and intelligent control systems, with flexible configurations from 30kW ...

1.60Kw Integrated: The SNE-ESS30KR100C-NA energy storage cabinet integrates a powerful 100kWh lithium battery, offering an efficient and comprehensive solution for industrial and commercial ...

By seamlessly integrating leading brands hybrid inverters into the IP55-protected battery cabinet, a compact, easy-to-install, and high-performance turnkey energy storage system is achieved. This ...

Sunwoda's OASIS 60 is a modular, high-performance battery energy storage system designed for commercial and industrial scale applications.

This energy storage cabinet is a PV energy storage solution that combines high-voltage energy storage battery packs, a high-voltage control box, an energy storage PV inverter, BMS, cooling systems (an ...

With support for 200% PV oversizing and a maximum 40A DC input current, the Hybrid ESS Cabinet ensures high throughput for large-scale solar integration. Global MPP scanning maximizes energy ...

This compact yet powerful ESS cabinet delivers scalable, intelligent energy storage ideal for peak shaving, demand response, backup power, and seamless integration with solar PV and VPP networks.

60kW Intelligent Photovoltaic Energy Storage Battery Cabinet in West Asia

Featuring a 60kW PCS paired with 129kWh of LiFePO4 battery storage, it delivers robust, efficient, and flexible energy management. This all-in-one cabinet design includes an integrated BMS and EMS, ...
