Why should you buy a solar awning?

Enjoy a sheltered outdoor oasis with protection from the sun, UV rays and light rain. Stay cool on scorching summer days, reducing temperatures by up to 20°; for refreshing outdoor relaxation Embrace green living with the industry's first solar-powered smart awning with internal Wi-Fi connectivity.

Why do you need a solar-powered retractable awning?

With your beautiful outdoor space left abandoned, there is wasted potential for gatherings, after-work relaxation and enjoying a breath of fresh air with the family. That's why we created the Furrion Lumina solar-powered retractable awning -- your solution to designing your outdoor paradise.

How do I choose the Best Lighting for my yard?

Before choosing just any one for your yard, start by asking yourself how much brightness you need and if the light needs to be direct or spread out. Solar pathway lights guide you when walking at night, while mounted spotlights may have security monitors or be intended to highlight landscape features.

How do I control my patio awning?

Benefit from a built-in wind sensor for enhanced functionality without the additional cost, and connect your patio awning to your preferred voice assistant for hands-free control through the Furrion AwnCommand(TM) app. Using the Furrion AwnCommand(TM) app, you can control your powered awning from right beneath the awning, or anywhere in the world.
