I've also included details about the available warranty coverage at each store, which may be a helpful alternative if your ...

To return a product to an AutoZone store, bring back an item in its original condition and packaging, with receipt, within 90 days of the purchase date to request a refund. Return a defective ...

For example, some stores have a 30-day or 60-day return policy for car batteries, while others may require the battery to be unused and in its original packaging.

You can often return batteries that don't meet your needs. In this article, we will explore everything you need to know about the AutoZone return policy for batteries.

Although most new car batteries can be returned (as long as you are within the return window) it's important to check with both the manufacturer and the retail store to determine their ...

Quick view: new car batteries are usually returnable if they are unused and you act within the store window, while used batteries move into core refunds and warranty swaps, not classic returns.
