Who makes double glazed units?

Double Glazed Units - Glass2Go LTD. Welcome to Glass2Go, the UK's leading supplier of premium double glazed units. We manufacture and deliver high-performance, sealed double glazing units directly to your door, anywhere in the UK, completely free of charge.

What is a double glazed unit?

Double Glazed Units, also called Insulated Glass Units (IGUs), feature two panes of glass separated by a spacer and sealed to create an insulating air (or argon gas) space. They are engineered to boost energy efficiency and acoustic performance in homes and commercial buildings.

Why should you choose a bespoke double glazed unit?

Whether you're a homeowner undertaking a DIY project, a window installer, or a builder, our bespoke units are engineered for superior thermal efficiency, noise reduction, and security, helping you save on energy bills and enhance your property's comfort. What types of double glazed units are there?
