How to make a good locker room?

Keep the locker room tidy and clutter free to invite more wealth. Avoid placing any deity or idol in the valuable room or you can just put a small mirror in the valuable/cash box to reflect the money. Height of this room should be equal to other rooms and shape should be regular either square or rectangle.

What should a locker room look like?

The locker should be of a standard square or rectangular shape only. The locker should ideally be of metal with some wooden pieces kept under its four legs. The locker shouldn't be touching the surface or the ground directly and shouldn't be without legs. The best colour for the locker room according to Vastu is yellow (on the walls and floor).

What direction should a locker be placed in a room?

If there's a lack of space in the room, place the locker with its back in the east direction. The locker direction according to Vastu should not be the southwest, southeast or northeast at all costs to reduce financial losses and needless expenditure. Also, make sure that it isn't placed in the corners.

Why is it important to know the correct locker direction?

So it is very important to know the correct locker direction as per Vastu. Keeping the lockers in compliance with Vastu brings about positive changes and growth in life.
