Baystone Government Finance offers tax-exempt municipal leases for an array of emergency equipment, vehicles, warning systems and buildings.

Information regarding the use of the Schedule is contained in 44 CFR § 206.228 Allowable Costs. Rates for equipment not listed will be furnished by FEMA upon request.

As more departments are faced with this dilemma, RedStorm Fire offers lease purchase financing as a great option to help get those new emergency vehicles where they are needed most.

Fortunately, financing has come back for the auto industry. A successful salesperson at your local dealer will talk to you in terms of payments, trying to find out what you can afford each month.

We specialize in equipment leasing and financing for Municipalities, Law Enforcement, Fire Departments, EMS, School Districts and All forms of local government

While Fire & Safety Services will work with any leasing company the purchasing authority chooses to work with, Pierce Financial Solutions works in conjunction with PNC Equipment Finance to provide ...

Lease financing is the most widely used method to purchase fire trucks, ambulances, equipment and stations while improving the management of cash flow. When available, the tax-exempt interest ...

To combat these ever-growing concerns, RedSky Emergency Vehicles offers lease-purchase financing as a great solution to help get those new emergency vehicles where they are needed most.

Most emergency service organizations qualify for tax-exempt financing, and enjoy significantly lower interest rates than what is available to commercial businesses.
