Where are JA Solar products sold & serviced?

JA Solar's products are sold and serviced in 180 countries and regions worldwide. For ground-mounted power plants, commercial & industrial rooftop PV systems and residential rooftop PV systems please visit JA Solar .

What is JA Solar?

JA SOLAR stands for durable, high-performance PV modules that generate first-class energy yields. With our broad product portfolio, we offer sustainable and innovative solutions for residential, commercial and utility projects. As one of the first suppliers with industrial PV production capacity, we took on a pioneering role at an early stage.

Is JA Solar a good manufacturer?

It is also one of three manufacturers rated AAA in the PV TECH bankability ranking. The manufacturer has a PV module production capacity of more than 100 GW. Historically, JA Solar has been a cell manufacturing specialist at the heart of module technology.

Where can I find the specifications of the JA Solar products?

You can find the specifications of JA Solar's JAM60S10 Half-Cell Module on their official website: Please note that specifications are subject to technical changes and tests, and JA Solar reserves the right of final interpretation.

These numbers reflect JA SOLAR's commitment to meeting the growing demand for solar PV systems worldwide. Since its inception, JA SOLAR has accumulated a cumulative shipment volume of over ...

The JA Solar monocrystalline solar panels found in our range provide an output power of 405, 550, or 460 W. JA TECH is an official distributor of photovoltaic panels manufactured by JA Solar.

JA PV Panel: Leading provider and distributor of photovoltaic (PV) systems. Offering high-performance PV solutions for sustainable energy production and commercial use.

JA Solar Panel Shipping and Storage Guide This article introduces JA solar panel transportation and storage guidelines to ensure the efficiency and stability of the solar power generation system. With ...

JA Solar PV Panel Delivery Schedule

JA PV Panel Co., Ltd. is a distributor and solutions provider of photovoltaic (PV) systems. The company offers a complete assortment of both on-grid and off-grid solutions, including modules, inverters, ...

JA Solar Technology Co., Ltd. ("JA Solar") is a green energy solutions partner trusted by global clients. Mr. Baofang Jin, the founder and chairman of the Board of the company, led the pioneering entry into ...
