-----

Octopus customers pay less: Cheaper than price-cap prices, rewards for using less when the grid is stressed, and smart tariff savings for your home, car or battery

The UK's most awarded energy supplier. We're doing energy better - for you and the environment.

Shape Shifters Agile Portal provides information on agile import/export tariffs and UK daily wholesale market rates.

Octopus Agile Tracker Real-time electricity pricing for Octopus Energy Agile tariff customers. Track current rates, analyse trends, and plan your energy usage.

These are the Agile rates for today and tomorrow, which allow you to shift use to times where electricity is cheaper, maximising your savings. These rates represent the average across the entire country.

How do I join Agile? Whether you're brand new to Octopus, or you're already a customer of ours, head to our Agile Octopus page below to sign up and get all the information you need:

View current and future Agile Octopus tariff rates for your region.

Our Agile import and export tariffs track the UK daily half-hour wholesale market. We publish tomorrow's rates between 4.00pm and 8.00pm each evening. Make sure you select your region from the drop ...

Track your electricity costs with rates that change every 30 minutes, tied to UK energy wholesale prices. Agile puts you in full control.

What Is Agile Octopus? With Agile Octopus, you get access to half-hourly energy prices, tied to wholesale prices and updated daily. So when wholesale electricity prices drop, so do your bills - and ...
