While you are browsing solar power companies, one of them may ...

The demand for solar energy is skyrocketing across the nation. This is great news! However, as the solar industry grows and more companies compete for your business, you might ...

Remind prospective customers that while tax credits, rebates, and incentives might be available for solar purchasers who qualify, offers for "free" or "no cost" solar panels are scams.

To avoid getting scammed, you need to know what to look out for and when to walk away. Here's our guide to spotting solar panel scams and finding a great installer. If something you see or hear from a ...

The scams vary, but here's the gist: someone claiming to be with the government or your utility company promises big savings on your utility bills from solar energy or other home improvements designed to ...

Here's how to dodge solar panel scams and identify red flags. Depending on your source, you'll find different definitions of what solar panel scams are. For this article, we'll focus on...

While you are browsing solar power companies, one of them may offer to install a solar panel or solar roof in your home for a small cost or even for free. It's an intentionally misleading claim.

Beyond loan-related scams, other common scamming practices include "creating a fake company and "selling" solar panel systems without any intention of ever installing them," said...

Beware of misleading social media ads and sales pitches ...

Here's how to dodge solar panel scams and identify red flags. Depending on your source, you'll find different definitions of what solar panel scams are. For this ...

## Photovoltaic bracket sales scam

Beware of misleading social media ads and sales pitches promising "free" solar, guaranteed savings, or special government payouts--these are major red flags. Compare quotes ...

These bad actors prey on homeowners' lack of knowledge about solar technology and incentive programs, using deceptive tactics to close deals and maximize profits. This article explores ...
