Author: Liang Ji, Jinhuan Yang, Xiao Yuan. Title: Solar Photovoltaic Power Generation. Topic: Technology & Engineering. Genre: Science Nature & Math. Format ...

The principle of the solar cell and manufacturing processes, the design and installation of PV system are extensively discussed in the book, making it an essential reference for graduate students in ...

The principle of the solar cell and manufacturing processes, the design and installation of PV system are extensively discussed in the book, making it an essential reference for graduate students in photovoltaic field ...

Jinhuan Yang, Xiao Yuan, Liang Ji Solar Photovoltaic Power Generation Also of interest Electrochemical Energy Systems.

This book illustrates theories in photovoltaic power generation, and focuses on the application of photovoltaic system, such as on-grid and off-grid system optimization design.
